

Saguaro National Park - Saguaro Census Plot #22
April 13, 2010 – Park Staff and Volunteers

Saguaro Plot #22

In this figure, green columns represent the number of saguaros counted in 1900, red represent 2000 and blue represent 2010. The x axis breaks down the saguaros into size classes. The total number of saguaros counted is on the far right side of the chart. There has been an increase in the total number of saguaros on the plot since the last Saguaro Census in 2000.
